# INTERSEL **E**

— Vitamin E & Organic Selenium —

*Advanced Antioxidant & Gut Health Booster for Peak Performance*

## Overview

INTERSEL E is a powerful combination of Vitamin E, organic Selenium, Biotin, probiotics, and essential nutrients designed to enhance antioxidant status, improve gut health, and boost overall productivity in livestock, poultry, and aquaculture. The synergistic blend supports immunity, fertility, and nutrient utilization, making it ideal during stress, growth, and production phases.

## Composition (Each 10 ml)

ACTIVE INGREDIENTS	STRENGTH
Vitamin E	250 mg
Selenium (Organic)	60 mcg
Biotin	6 mg
Protein (Hydrolysate)	20 mg
Propylene Glycol	50 mg
Zinc (Organic)	2 mg
Bacillus subtilis	$1 \times 10^9$ CFU
Lactobacillus acidophilus	$5 \times 10^8$ CFU
Enterococcus faecium	$1 \times 10^8$ CFU
Solvent (Water or Glycerin)	q.s. to 10 ml

## Mode of Action

- **Vitamin E & Selenium** act as potent antioxidants, protecting cells from oxidative damage and improving immunity and reproductive performance.
- **Biotin & Zinc** support skin, hoof, and feather integrity while enhancing metabolic functions.
- **Probiotics (Bacillus, Lactobacillus, Enterococcus)** stabilize gut microflora, improve digestion, and enhance nutrient absorption.
- **Protein hydrolysate** provides readily available amino acids for growth and repair.
- **Propylene glycol** acts as an energy source, helping animals cope with stress and metabolic challenges.

## Benefits

- Enhances antioxidant defense system
- Improves gut health and digestion
- Boosts immunity and disease resistance
- Supports fertility and hatchability
- Promotes skin, coat, and feather quality
- Improves feed efficiency and nutrient utilization
- Reduces stress during heat, transport, and vaccination

## Dosages

**Large Animals (Cattle, Buffalo):** 10–15 ml per day

**Small Animals (Goat, Sheep):** 5–10 ml per day

**Broilers & Layers:** 1 ml per litre of drinking water for 5–7 days

**Breeders:** 1–1.5 ml per litre of drinking water for 5–7 days

*Or as recommended by Veterinarian*

## Presentation

Available in 500 ml and 1 L HDPE bottles

At Rigel Global Pvt. Ltd., we are committed to enhancing animal health, productivity, and overall well-being through advanced nutritional and healthcare solutions. Our Animal Health & Nutrition Division partners closely with farmers, veterinarians, and feed manufacturers across India and international markets, delivering scientifically validated products that support performance optimization, immune strength, and sustainable production in poultry, livestock, and aquaculture.

Backed by a robust research-driven approach and global collaborations, we integrate internationally proven formulations with region-specific technologies to address the dynamic needs of the poultry, dairy, and aquaculture industries. Our diverse portfolio spans feed additives, probiotics, veterinary formulations, and biosecurity solutions—each developed with a strong focus on quality, efficacy, and safety.

Guided by our core principles of Integrity, Innovation, and Impact, Rigel Global Pvt. Ltd. strives to strengthen the food value chain while empowering partners with dependable products and expert technical support. We believe that healthy animals are the foundation of a healthy world, and every solution we deliver reflects this enduring commitment.
