ANDOVIR

Antiviral Supplement

Advanced Herbal & MCFA Technology Support

Overview

AndoVir is a scientifically formulated antiviral supplement designed to enhance immunity, combat viral infections, and promote overall poultry and livestock health. With a powerful blend of herbal bioactive extracts, essential nutrients, and antiviral fatty acids, AndoVir supports immune function, reduces oxidative stress, and provides broad-spectrum antiviral protection.

Its unique combination of **phytochemicals**, **Monolaurin**, and **Capric Acid** aids in faster recovery from infections and strengthens disease resistance.

Composition

Each 100 ml contains (%w/v)

- Andrographis paniculata – 10%
- Hypericum perforatum (St. John's Wort) – 10%
- Azadirachta indica – 8%
- Ocimum sanctum – 7%
- Thymus vulgaris – 7%
- Tinospora cordifolia – 5%
- Asparagus racemosus – 4%
- Zingiber officinale – 2%
- Eucalyptus globulus – 3%
- Cinnamomum camphora – 0.5%
- Thyme Oil – 5%
- Mint Oil – 5%
- Nucleotide – 3%
- Monolaurin – 3%
- Lauric Acid – 7%
- Folic Acid – 0.025%
- Capric Acid – 2%
- Caprylic Acid – 1%
- Vitamin E – 1%
- Vitamin A – 500,000 IU

Mode of Action

- AndoVir works through a synergistic combination of herbal antivirals, immune enhancers, and functional fatty acids to provide effective protection against viral challenges.
- Herbal extracts such as Andrographis, Neem, Tinospora, and Hypericum help inhibit viral replication and reduce infection severity.
- Monolaurin and Capric Acid disrupt the lipid envelope of viruses, helping in rapid viral inactivation.
- Nucleotides enhance immune response by supporting antibody production and cellular immunity.

- Essential oils and phytochemicals support respiratory health and improve overall resistance.
- Digestive and adaptogenic herbs improve nutrient utilization and aid faster recovery during stress and infection.

Benefits

- Broad-Spectrum Antiviral Action – Effective against viral challenges through multiple mechanisms
- Boosts Immune Function – Enhances natural defense and disease resistance
- Speeds Recovery – Reduces severity and duration of infections
- Supports Respiratory & Gut Health – Improves breathing and digestion
- Reduces Oxidative Stress – Protects cells from damage
- Natural & Safe Formulation – Herbal-based with no harmful residues

Dosages

Livestock

- Large Animals (Cattle & Horses): 20 ml daily
- Small Animals (Calves, Sheep & Goat): 10 ml daily

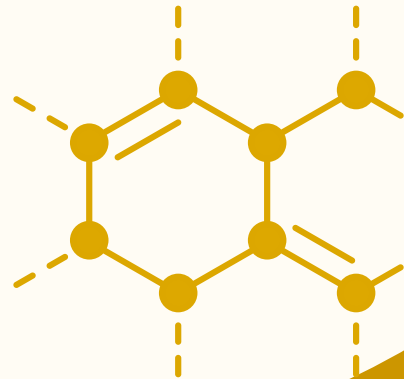

Poultry

- 1 ml per 3 litres of water daily

Presentation

Available in 500 ml and 1 L HDPE bottle

At Rigel Global Pvt. Ltd., we are committed to enhancing animal health, productivity, and overall well-being through advanced nutritional and healthcare solutions. Our Animal Health & Nutrition Division partners closely with farmers, veterinarians, and feed manufacturers across India and international markets, delivering scientifically validated products that support performance optimization, immune strength, and sustainable production in poultry, livestock, and aquaculture. Backed by a robust research-driven approach and global collaborations, we integrate internationally proven formulations with region-specific technologies to address the dynamic needs of the poultry, dairy, and aquaculture industries. Our diverse portfolio spans feed additives, probiotics, veterinary formulations, and biosecurity solutions –each developed with a strong focus on quality, efficacy, and safety.

Guided by our core principles of Integrity, Innovation, and Impact, Rigel Global Pvt. Ltd. strives to strengthen the food value chain while empowering partners with dependable products and expert technical support. We believe that healthy animals are the foundation of a healthy world, and every solution we deliver reflects this enduring commitment.
